

LIVE CASE OBSERVATION PROGRAM

Focal Therapy with HIFU for Prostate Cancer

Real Patients. Real Cases. Real Impact.

Friday, October 9, 2026

9:00 AM – 12:00 PM

(Check-in and registration from 8:00 AM)

Tokai University Hospital, Isehara

143 Shimokasuya, Isehara-shi, Kanagawa 259-1143, Japan

Advancing Urological Care

for a Healthier Tomorrow

Hosted by

Sunao Shoji, MD, PhD, MBA

Professor and Chair
Department of Urology
Tokai University School of Medicine
President, The 1st Meeting of the
Asian Urological Therapeutic
Ultrasound and Focal Therapy (AUSFT)

Program Agenda

8:00 – 8:30	Check-in, Registration and Welcome
8:30 – 8:45	Program Overview and Introduction
8:45 – 9:10	Clinical Role of HIFU for Prostate Cancer
9:10 – 9:30	Patient Selection and Treatment Planning
9:30 – 11:00	Live Case 1 & Live Case 2 <i>Real-time observation with expert commentary</i>
11:00 – 11:40	Technical Tips: DC HIFU for Better Outcomes
11:40 – 12:00	Discussion, Q&A and Closing Remarks

Learning Objectives

Clinical role of HIFU in prostate cancer

Current evidence and future perspectives

Evidence-driven clinical outcomes

Oncologic, functional, and quality of life outcomes

DC HIFU technique and best practices

Improving efficiency and outcomes

Patient selection and treatment strategy

Personalized care for optimal results

Two live cases

Real-time procedure observation and interactive discussion

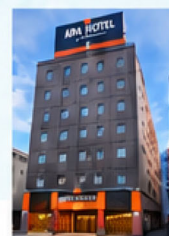

Recommended Hotel (for Thursday, Oct 8)

APA Hotel Isehara-Ekimae

1-11-3 Sakuradai, Isehara-shi,
Kanagawa 259-1132, Japan

- 2-minute walk from Isehara Station (South Exit)
- Convenient access to Tokai University Hospital
- Standard business hotel with breakfast

Access to Hospital

Isehara Station (Odakyu Odawara Line)

- Approximately 10 minutes by bus to Tokai University Hospital
- About 15 minutes on foot (or ~5 minutes by taxi)

SPEAKER
Dave Quigley
Sonablate Corp (USA)

PATIENT SELECTION

9:20–9:40 Patients' Selection for Focal Therapy

MODERATOR
**Moammar Andar Roemare
Siregar**
Abdi Waluyo Hospital (Indonesia)

SPEAKER
Po-Fan Hsieh
China Medical University Hospital
(Taiwan)

9:40–10:10 MRI: Strengths and Limitations

SPEAKER
Kumpei Takahashi
Department of Urology, Tokai
University School of Medicine
(Japan)

10:10–10:30 Patient Informed Consent

MODERATOR
**Adistra Imam
Satjakoesoemah**
Abdi Waluyo Hospital (Indonesia)

SPEAKER
Peter K.F. Chiu
Division of Urology, Chinese
University of Hong Kong (Hong
Kong)

10:30–10:45

COFFEE BREAK

EXPERT PERSPECTIVES

10:45–11:05 Current Role of Focal Therapy in the United States (Pre-
recorded)

MODERATOR
Dave Quigley
Sonablate Corp (USA)

SPEAKER
Clint Bahler
Department of Urology, Indiana
University School of Medicine
(USA)

DEVELOPMENT OF SURGICAL TREATMENT

11:10–11:30 Evolution of RARP (Retzius-sparing & Hood Technique)

MODERATOR
Rainy Umbas
Abdi Waluyo Hospital (Indonesia)

SPEAKER
Shuzo Hamamoto
Department of Urology, Nagoya
City University Graduate School of
Medical Sciences (Japan)

11:30–12:30

LUNCH

CLINICAL EXPERIENCES

12:30–12:45 Interactive Session: Early Adopter Case Presentations
& Expert Panel Discussion; Open to participants from
all countries.

MODERATOR
Kuan Chou Chen
Department of Urology, Taipei
Medical University Shuang-Ho
Hospital (Taiwan)

SPEAKER
Yoshinobu Hashimoto
Department of Urology, Saitama
Saiseikai Kawaguchi General
Hospital (Japan)

12:45–13:00

SPEAKER
Sheng-Feng Chou
Department of Urology, Cheng
Ching Hospital (Taiwan)

13:00–13:20	Clinical Experiences of Whole-gland HIFU	MODERATOR Peter K.F. Chiu Division of Urology, Chinese University of Hong Kong (Hong Kong)	SPEAKER Sivaneswaran Annandan Department of Urology, Sunway Medical Centre Ipoh (Malaysia)
13:20–13:40			SPEAKER Sudhir Rawal Department of Urology, Rajiv Gandhi Cancer Institute & Research Centre (India)
13:40–14:00	Clinical Experiences of Focal HIFU	MODERATOR Jacob ST Pang Department of Urology, Chang Gung Memorial Hospital (Taiwan)	SPEAKER Kai-Jie Yu Director, Uro-Oncology Group, Department of Urology, Division of Surgery, Chang Gung Memorial Hospital (Taiwan)
14:00–14:20			SPEAKER Sunao Shoji Department of Urology, Tokai University School of Medicine (Japan)
14:35–14:50		COFFEE BREAK	
TECHNICAL INNOVATION			
14:50–15:30	Hands-on Training: Compression Method using Bolus Guide	MODERATOR Shing-Hwa Lu Department of Urology, Taipei Medical University Hospital (Taiwan)	PROCTOR Sunao Shoji Department of Urology, Tokai University School of Medicine (Japan)
EXPERT PERSPECTIVES			
15:30–15:55	The Future of Prostate Cancer Treatment with HIFU (Pre-recorded)	MODERATOR Sunao Shoji Department of Urology, Tokai University School of Medicine (Japan)	SPEAKER Mark Emberton Division of Surgery & Interventional Science, University College London (United Kingdom)
CLOSING			
15:55–16:00	Closing Remarks	SPEAKER Jacob ST Pang Department of Urology, Chang Gung Memorial Hospital (Taiwan)
